Located along the beautiful Lake Wales Ridge the Preserve offers six miles of hiking trails, seven miles of equestrian trails, a covered pavilion, fishing and excellent wildlife viewing opportunities. The Preserve is home to numerous rare plants, such as the scrub morning glory, scrub plum, pygmy fringe tree and cutthroat grass and several protected animal species including the Florida Scrub Jay, bald eagles, gopher tortoises and Florida scrub lizards. When you visit the Preserve, make sure you are prepared for the rugged conditions typical of the scrub habitat. Bring plenty of water and be prepared for the challenging trails at the park. Enjoy your visit and bring back memories of one of the rarer habitats in Florida.
