More than 6,200 acres of natural communities are represented in Dunns Creek State Park and is covered with sandhills, longleaf pines, wiregrass, and sand pine scrub. Home to several endangered and threatened species, such as the gopher tortoise and fox squirrels, and other native animals. Visitors can drive or hike down the main park drive, viewing the amazing natural communities and abundant wildlife. Access to Dunns Creek, an ADA compliant fishing platform and floating canoe launch, restroom facilities and a parking area are located at the end of the main drive. A second entrance to the park, located just off U.S. 17, north of Pomona Park, includes marked trails and a picnic area. The 1.5-mile yellow hiking and bicycling trail takes visitors to the pristine waters of Blue Pond.
