#### Our Mission

- To support the preservation and protection of the cultural resources and natural systems of Oscar Scherer State Park.
- To promote public awareness of the ecological importance of OSSP through interpretive programs, special events, and social functions.
- To provide volunteer projects, services and general assistance to the Park.

#### Funding

In addition to providing funds for the purchase of equipment the FOSP also finance the production of maps, fact sheets, trail guides, newsletters and other interactive displays to help visitors experience the park more fully.

We are currently in the advanced planning stages of an \$200,000 Boardwalk Project that will span a corner of Lake Osprey. The boardwalk will be fully ADA compliant and will provide both a fishing pier and a general recreation focus for the park.
