Located south of a sharp bend in the St. Johns River, more than 6,200 acres of natural communities are represented in Dunns Creek State Park. These natural communities include sandhills, covered with longleaf pines, wiregrass and sand pine scrub. These protect several endangered and threatened species, such as the gopher tortoise and fox squirrels, and other native animals. The main entrance to the park is located at 320 Sisco Road. Visitors can drive or hike down the main park drive, viewing the amazing natural communities and abundant wildlife. Access to Dunns Creek, an ADA compliant fishing platform and floating canoe launch, restroom facilities and a parking area are located at the end of the main drive. A second entrance to the park, located just off of U.S. 17, north of Pomona Park, includes marked trails and a picnic area. The 1.5-mile yellow hiking and bicycling trail takes visitors to the pristine waters of Blue Pond.

FLORIDA STATE PARKS

A MAJOR CONTRIBUTOR TO FLORIDA'S WELL-BEING!

The system of Florida State Parks and Trails is one of the state's greatest success stories. It's the ONLY system in the nation thrice awarded the Gold Medal of Excellence by its national peer group. Florida residents and visitors from around the world are drawn to Florida's state parks and trails as *the places* to hike, bike, kayak, swim, fish, camp, lay on the beach, hunt for shells, learn about nature and Florida history, have family reunions, and even get married!
