Officially designated as part of Florida's Statewide System of Greenways and Trails and is one of Florida's most rural, paved rail-trails. Also designated as a National Recreation Trail®, the Van Fleet State Trail runs through the Green Swamp, the headwaters for some of Florida's most popular paddling destinations including the Withlacoochee, Hillsborough and Peace rivers. Landscapes include the river swamp, bottomland forest, pine flatwoods, former citrus lands and cattle ranches. With only one curve in its 29.2 miles, you can choose to go slow and view the wildlife or enjoy it at a brisk pace. An equestrian trail parallels the length of the paved path. The trail has excellent wildlife viewing opportunities, especially between Green Pond Road and Bay Lake Road.
