FLORIDA STATE PARKS

A MAJOR CONTRIBUTOR TO FLORIDA'S WELL-BEING!

The system of Florida State Parks and Trails is one of the state's greatest success stories. It's the ONLY system in the nation thrice awarded the Gold Medal of Excellence by its national peer group. Florida residents and visitors from around the world are drawn to Florida's state parks and trails as *the places* to hike, bike, kayak, swim, fish, camp, lay on the beach, hunt for shells, learn about nature and Florida history, have family reunions, and even get married!
