41,282	3,473,138	49	2	80	7,353

This preserve has one of the few remaining mature forests in Florida. The limestone outcrops and extreme changes in elevation provide ideal conditions for many species of hardwood trees, including several champion trees. Bobcats, white-tailed deer, gray foxes, turkeys, and many species of songbirds make their homes in the 18 natural communities found in the preserve.

FLORIDA STATE PARKS

A MAJOR CONTRIBUTOR TO FLORIDA'S WELL-BEING!

The system of Florida State Parks and Trails is one of the state's greatest success stories. It's the ONLY system in the nation thrice awarded the Gold Medal of Excellence by its national peer group. Florida residents and visitors from around the world are drawn to Florida's state parks and trails as *the places* to hike, bike, kayak, swim, fish, camp, lay on the beach, hunt for shells, learn about nature and Florida history, have family reunions, and even get married!

Plan your visit at FloridaStateParks.org.
