Gamble Rogers is a small park tucked gently between the shores of the Atlantic Ocean and the Intercoastal Waterway. This 145-acre park is named for Florida folk singer and storyteller Gamble Rogers. Swim and play in the surf of the Atlantic Ocean, build castles in the golden-brown coquina sand or watch pelicans glide along the dunes and ocean waves. Anglers can catch red drum, whiting, flounder and trout from the banks of the river or along the beach, with toes in the sand. Take a walk and experience the plant and animal life in the shady maritime hammock or enjoy a picnic with watermelon and ice cream at one of the park's many sheltered tables or explore the park in search of a geocache.

FLORIDA STATE PARKS

A MAJOR CONTRIBUTOR TO FLORIDA'S WELL-BEING!

The Florida State Parks and Trails system is one of the state's greatest success stories having won the prestigious National Gold Medal of Excellence a record four times. Florida residents and visitors from around the world are drawn to Florida's state parks and trails as *the places* to hike, bike, kayak, swim, fish, camp, lay on the beach, hunt for shells, learn about nature and Florida history, have family reunions, and even get married!

Friends of Gamble Rogers

A nonprofit established in 2012, the Friends Group raises funds to support projects and employees at Gamble Rogers and North Peninsula State Park. The volunteers were essential to a marsh restoration project and continue to work on an oyster program, removing exotic plants, enhancing visitor experiences with kayak tours, educating the public, supporting the volunteer program and more.
