The North Florida Springs Alliance (NFSA) is a Citizen Support Organization (CSO) for five state parks in north Florida. CSOs were created by Florida legislation as non-profit cooperatives with the state to conduct programs and activities to

better our parks. These groups provide voluntary support by educating visitors, hosting events and raising funds for specific park improvement projects. The NFSA plays a vital role in supporting Florida's state parks, ensuring that our natural, cultural and historical resources are protected for future generations.
