The pine flatwoods form a backdrop for other biological communities, including cypress domes, scrubby Flatwoods, sand hills, and a beautiful strand swamp. These habitats are home to many native plants and animals, including over 50 protected species. Photographers, bird-watchers, and nature enthusiasts can explore miles of trails on foot, bicycle or horseback.

FLORIDA STATE PARKS

A MAJOR CONTRIBUTOR TO FLORIDA'S WELL-BEING!

The Florida State Parks and Trails system is one of the state's greatest success stories having won the prestigious National Gold Medal of Excellence a record four times. Florida residents and visitors from around the world are drawn to Florida's state parks and trails as *the places* to hike, bike, kayak, swim, fish, camp, lay on the beach, hunt for shells, learn about nature and Florida history, have family reunions, and even get married!
