84,979	$10,280,616	144

This preserve has one of the few remaining mature forests in Florida. The limestone outcrops and extreme changes in elevation provide ideal conditions for many species of hardwood trees, including several champion trees. Bobcats, white-tailed deer, gray foxes, turkeys, and many species of songbirds make their homes in the 18 natural communities found in the preserve.

FLORIDA STATE PARKS

A MAJOR CONTRIBUTOR TO FLORIDA'S WELL-BEING!

The Florida State Parks and Trails system is one of the state's greatest success stories, having won the prestigious National Gold Medal of Excellence a record four times. Florida residents and visitors from around the world are drawn to Florida's state parks and trails as *the places* to hike, bike, kayak, swim, fish, camp, lay on the beach, hunt for shells, learn about nature and Florida history, have family reunions, and even get married!
